7.	Assistant/Deputy Director, Department of Agriculture of concerned District.	Member
8.	MD, DCCB	Member
9.	District Development Manager(DDM), NABARD	Member
10.	Representatives of NDDB	Member
11.	Representatives of NFDB	Member
12.	MD, District Milk Union of concerned District	Member
13.	MD, District Fisheries Federation of concerned District.	Member

The Department of Co-operation shall be the Nodal Department for implementation of the plan in State of Himachal Pradesh and the role and responsibilities of SCDC and DCDC shall be as per **Annexure I & II**.

State Government shall ensure all necessary support to the stakeholders concerned for smooth implementation of the said plan as per guidelines at **Annexure-III**.

Enclosure: As above.

By order,
Sd/-
(C. PAULRASU),
Secretary (Co-operation).

ANNEXURE-I

Roles and Responsibilities of SCDC

1. To ensure that all the Panchyats/villages in the State are covered by multipurpose PACS or primary dairy/fishery co-operative societies, as the case may be.
2. To review the district-wise action plan for setting up new multipurpose PACS or primary dairy/fishery co-operative societies, with a total target of establishing two lakh such societies in the next five years across the country.
3. To extend all necessary support in preparation and updation of National Co-operative Database.
4. To prepare an action plan, in coordination with NABARD, NDDDB, NFDB, NAFSCOB, NCDFI & FISHCOPFED, to set up State/ District level federations if not presently existent, as per requirement and viability assessment.
5. To assist in establishing linkages of existing and new primary co-operative societies with DCCBs/StCBs and/ or their respective District and State level Federations.
6. To ensure convergence of various schemes of Government of India at the level of PACS or dairy/ fishery primary co-operative societies to make them vibrant economic entities.
7. To provide all necessary policy support for creation of infrastructure at the level of co-operative societies, including allotment of Government/Gram Sabha land to PACS.
8. To extend all necessary support to District Co-operative Development Committee (DCDC) for implementation of the action plan at the grassroots level.
9. To monitor the progress of implementation of the action plan at the State level.
10. Any other related matters.

ANNEXURE-II

Roles and Responsibilities of DCDC

1. To ensure regular and timely updation of National Co-operative Database.

2. To prepare the District plan for setting up of new multipurpose PACS or primary dairy/fishery co-operative societies on the basis of the gap analysis from National Cooperative Database.
3. To ensure that all the Panchayats/villages in the district are covered by multipurpose PACS or primary dairy/fishery co-operative societies, as the case may be.
4. To establish linkages of existing and new primary co-operative societies with DCCBs/StCBs and/or their respective District/ Block level Federations, if any, with the support of State Government and other stakeholders concerned. If District/Block level Federations are not existent, then linkages may be established with the Federations present in nearby District/Block.
5. To facilitate setting up of District level federations, if not presently existent, as per requirement and viability assessment, in co-ordination with State Government and stakeholders concerned.
6. To facilitate registration of new primary co-operative societies with the support of Registrar of Co-operative Societies.
7. To ensure dovetailing of various schemes of Government of India at the level of PACS or primary dairy/fishery co-operative societies to improve their viability and make them vibrant economic entities.
8. To provide all necessary infrastructure and logistical support to primary co-operative societies at the Panchayat/village level, including allotment of Government/Gram sabha land to PACS.
9. To co-ordinate with all stakeholders concerned and provide all necessary support for ensuring implementation of the plan at the ground level.
10. Any other related matters.

GUIDELINES

ANNEXURE-III

Strengthening Co-operative Movement in the Country and Deepening its Reach up to the Grassroots.

1. INTRODUCTION:

- 1.1 Cooperative movement is the backbone of rural economy. Presently, around 29 crore people are directly linked with co-operative sector in India.
- 1.2 There are 98,995 Primary Agricultural Credit Societies (PACS) in the country, with a member base of around 13 crores, providing short-term and medium-term credit and other input facilities like fertilizers, pesticides, seeds, etc. to farmers. In the dairy sector, there are nearly 1, 99,000 primary dairy co-operatives with around 1.5 crore members and engaged in milk procurement, providing milk testing facilities, cattle feed sale, extension services, etc. to the members. In the fisheries sector, there are

about 25,297 primary fishery co-operatives with around 38 lakh members, providing marketing facilities to them, assisting them in procuring fishing equipment, fish seed and feed, and also providing credit facilities on a limited scale.

- 1.3 Out of 2,55,643 Panchayats in the country, nearly 1.6 lakh Panchyats are without PACS and nearly 2 lakh Panchayats are without any dairy co-operative society. Given the important role played by these primary level co-operative societies, there is a need to make concerted efforts to strengthen and establish such primary co-operative societies to cover all panchyats/villages, as the case may be, for economic and social upliftment in rural areas.
- 1.4 In view of the same, a plan to establish new multipurpose PACS or dairy/fishery primary co-operative societies in each uncovered Panchayat/village, as the case may be, and to strengthen the existing PACS/Dairy/Fishery co-operatives by leveraging the 'whole-of-Government' approach, has been approved by the Government.
- 1.5 The plan will be implemented through social mobilization with the support of National Bank for Agriculture and Rural Development (NABARD), National Dairy Development Board (NDDB) and National Fisheries Development Board (NFDB) and utilization of the outlays provided under the following identified schemes of Government of India:
 - A. Department of Animal Husbandry and Dairying, Government of India:
 - a. National Programme for Dairy Development (NPDD)
 - b. Dairy Processing and infrastructure Development Fund (DIDF)
 - B. Department of Fisheries, Government of India
 - a. Pradhan Mantri Matsya Sampada Yojna (PMMSY)
 - b. Fisheries and Aquaculture Infrastructure Development Fund (FIDF)
- 1.6 In addition, to improve the viability of PACS, model byelaws for PACS, prepared by the Ministry in consultation with all the stakeholders, have been circulated to all the States/UTs for adoption by PACS subject to their respective State/UT Cooperative Societies Acts. These would enable PACS to diversify their business by undertaking more than 25 economic activities, including dairy, fisheries, short-term and long-term credit, LPG/CNG/diesel/petrol distributorship, custom hiring centers, fair price shops, etc.
- 1.7 A national co-operative database is also being prepared by Ministry of Co-operation where country-wide mapping of co-operatives at Panchayat and village level is being carried out with the support of Registrar of Co-operative Societies of States/UT's. A comprehensive database of PACS has been developed in January, 2023 capturing details of more than 1 lakh PACS/ Large Area Multi-Purpose Societies (LAMPS)/ Farmers Service Societies (FSS). Further, details of more than 1,34,000 dairy co-operative societies and nearly 25,000 fishery co-operative societies have also been captured. This exercise would provide a list of Panchayats and villages not served by PACS, dairy and fishery co-operative societies.

2. IMPLEMENTATION METHODOLOGY:

- 2.1 **Target:** The initial target is to establish two lakh new multipurpose PACS or dairy/fishery primary co-operative societies covering all the Panchayats/villages in the country, as the case may be, in the next five years.
- 2.2 An Inter-Ministerial Committee (IMC) under the Chairmanship of Hon'ble Minister of Cooperation has been constituted to modify guidelines/implementation methodologies of the identified schemes, including provision for social mobilization cost as per requirement, as and when need arises, within the approved outlays and prescribed goals, for setting up new multipurpose PACS or dairy/fishery primary co-operative societies in each uncovered Panchayat/village, as the case may be, and strengthening existing PACS or Dairy/ Fishery cooperative. Hon'ble Minister of Agriculture and Farmers Welfare; Hon'ble Minister of Fisheries, Animal Husbandry and Dairying; Secretaries of Ministries concerned, etc. are the members of the IMC.
- 2.3 A National Level Co-ordination Committee (NLCC) has been constituted under the chairmanship of Secretary (Ministry of Co-operation) with Secretaries from Ministries concerned; Secretary (Co-operation) of States/ UTs and Chairman of NABARD, NDDDB; MD, National Co-operative Development Corporation (NCDC); Chairman/MD of National Federation of State Co-operative Banks Ltd. (NAFSCOB), National Co-operative Dairy Federation of India (NCDFI), National Federation of Fisheries Co-operatives Ltd. (FISHCOPFED); Chief Executive NFDB; Member (Agriculture) NITI Aayog, etc., as members. Its roles and responsibilities will be as per para 3.1 of the guidelines.
- 2.4 NCDC will be the implementing agency for the plan and a Project Management Unit (PMU) manned by management and technical experts would be set up at NCDC. Its roles and responsibilities will be as per para 3.5 of the guidelines.
- 2.5 A State Co-operative Development Committee (SCDC) chaired by Chief Secretary of the State would be set up with State Government Secretaries of Departments of Co-operation, Animal Husbandry & Dairying, Fisheries, Rural Development, Finance, Agriculture & Revenue; Registrar of Co-operative Societies, representatives from NABARD, NDDDB, and NFDB; Chairman/MD of the State Co-operative Banks and Chairman/MD of the State Federations of Dairy and Fishery societies, etc., as members. Its roles and responsibilities will be as per para 3.7 of the guidelines.
- 2.6 A District co-operative Development Committee (DCDC) under the chairmanship of District Collector would be constituted with District Development Manager, NABARD; representatives of NDDDB, NFDB; Managing Director of District of District Central Co-operative Bank (DCCB); District Co-operation Officer/ Deputy Registrar of co-operative societies; CEO Zila Panchayat District Officers of Animal Husbandry & Dairying, Fisheries and Rural Development; Managing Director of District Milk Union, Managing Director of District Fishery Federation, etc., as members. Its roles and responsibilities will be as per para 3.8 of the guidelines.

3. ROLES & RESPONSIBILITIES:

3.1 National Level Co-ordination Committee (NLCC):

- a. To steer the overall implementation of the scheme, including its monitoring and review.

- b. To modify these guidelines, as and when need arises, to ensure effective implementation of the plan.
- c. To co-ordinate with stakeholders concerned for resolution of any State-specific issue(s) that may arise during the implementation stage.
- d. Any other related matters.

3.2 Ministry of Co-operation:

- a. To convene the meetings of Inter-Ministerial Committee (IMC)
- b. To maintain the database of PACS, dairy and fishery co-operative societies in association with National Co-operative Union of India (NCUI), concerned State Registrars, District Nodal Registrars, NABARD, NAFSCOB, NDDB, NCDFI, NFDB and FISHCOPFED.
- c. To review implementation of the plan to establish multipurpose PACS or primary dairy/fishery co-operative societies across the Country.
- d. Any other related matters.

3.3 Ministry of Fisheries, Animal Husbandry and Dairying:

- a. To extend necessary support to NDDB, NFDB, NCDFI and FISHCOPFED for preparation of national level action plan and its smooth implementation.
- b. To examine the applications submitted by primary co-operative societies for availing the benefits under various identified schemes and extend benefits accordingly.
- c. To prepare model DPRs for the schemes and circulate it to the primary co-operative societies.
- d. To extend support in preparation of National Co-operative Database.
- e. To assist in linking the central portal/ dashboard under this plan with the existing portals of the Ministry of Fisheries, Animal Husbandry and Dairying.
- f. Any other related matters.

3.4 Ministries of Agriculture and Farmers Welfare:

- a. To examine the application submitted by primary co-operative societies for availing the benefits under various schemes and extend benefits accordingly.
- b. To prepare model DPRs for the schemes and circulate it to the primary co-operative societies.
- c. To assist in linking the central portal/dashboard under this plan with the existing portals of the Ministry of Agriculture and Farmers Welfare.
- d. Any other related matters.

3.5 NCDC:

- a. To set up project management Unit (PMU), comprising management and technical experts.
- b. To co-ordinate with all Ministries concerned, State Governments/UT Administrations, NABARD, NAFSCOB, NDDB, NCDFI, NFDB, FISHCOPFED, State Co-operative Banks, District Central Co-operative Banks and all other stakeholders for implementation of the project.
- c. To follow up with Ministries of Government of India for approval of the proposals sent by the co-operative societies for taking benefits under various schemes.
- d. To co-ordinate with the PMU established for National Co-operative Database for any software update establishing MIS, regular updation of database, etc.
- e. Any other related matters.

3.6 NABARD, NDDB and NFDB:

- a. NABARD, NDDB and NFDB to prepare national level action plans for strengthening of primary co-operative societies and establishment of new multipurpose PACS or Primary Dairy/ Fishery co-operative societies, as per requirement.
- b. NABARD to apprise projects and provide credit support to PACS/Dairy/Fishery co-operatives through State Governments, State Co-operative Banks, District Central Co-operative Banks, NDDB and NFDB.
- c. To extend financial assistance to eligible co-operative societies and monitor utilization of funds extended.
- d. Any other related matters.

3.7 State Co-operative Development Committee (SCDC):

- a. To ensure that all the Panchayats/villages in the State are covered by multipurpose PACS or primary dairy/fishery cooperative societies, as the case may be.
- b. To review the district-wise action plan for setting up new multipurpose PACS or primary dairy/fishery co-operative societies, with a total target of establishing two lakh such societies in the next five years across the country.
- c. To extend all necessary support in preparation and updation of National Co-operative Database.
- d. To prepare an action plan, in co-ordination with NABARD, NDDB, NFDB, NAFSCOB, NCDFI & FISHCOPFED to set up State/ District level federation if not presently existent as per requirement and viability assessment.
- e. To assist in establishing linkages of existing and new primary Cooperative societies with DCCBs/ StCBs and/ or their respective District and State level Federations.

- f. To ensure convergence of various schemes of Government of India at the level of PACS or dairy/fishery primary co-operative societies to make them vibrant economic entities.
- g. To provide all necessary policy support for creation of infrastructure at the level of co-operative societies, including allotment of Government/Gram Sabha land to PACS.
- h. To extend all necessary support to District Co-operative Development Committee (DCDC) for implementation of the plan at the grassroots level.
- i. To monitor the progress of implementation of the action plan at the State level.
- j. Any other related matters.

3.8 District Co-operative Development Committee (DCDC):

- a. To ensure regular and timely updation of National Co-operative Database.
- b. To prepare the District plan for setting up of new multipurpose PACS or primary dairy/fishery co-operative societies on the basis of the gap analysis from National Co-operative Database.
- c. To ensure that all the Panchayats/villages in the district are covered by multipurpose PACS or primary dairy/fishery co-operative societies, as the case may be.
- d. To establish linkages of existing and new primary co-operative societies with DCCBs/ StCBs and/ or their respective District/ Block level Federations, if any, with the support of State Government and other stakeholders concerned. If District/ Block level Federations are not existent, then linkages may be established with the Federations present in nearby District/Block.
- e. To facilitate setting up of District level federations, if not presently existent, as per requirement and viability assessment, in co-ordination with State Government and stakeholders concerned.
- f. To facilitate registration of new primary co-operative societies with the support of Registrar of Co-operative Societies.
- g. To ensure dovetailing of various schemes of Government of India at the level of PACS or primary dairy/fishery co-operative societies to improve their viability and make them vibrant economic entities.
- h. To provide all necessary infrastructure and logistical support to primary co-operative societies at the Panchayat/Village level, including allotment of Government/ Gram Sabha land to PACS.
- i. To co-ordinate with all stakeholders concerned and provide all necessary support for ensuring implementation of the plan at the ground level.
- j. Any other related matters.

HIMACHAL PRADESH ELECTRICITY REGULATORY COMMISSION, SHIMLA**NOTIFICATION***Shimla, the 20th July 2023*

No. HPERC/428.—In exercise of the powers conferred under sub-section (1) of Section 61, sub-section (1) of Section 62, clauses (a), (b) and (e) of sub-section (1) of Section 86 and Clause (zd) of sub-section (2) of Section 181, of the Electricity Act, 2003 (36 of 2003), read with Section 21 of the General Clauses Act, 1897 (10 of 1897), and all other powers enabling it in this behalf, the Commission proposes to amend the Himachal Pradesh Electricity Regulatory Commission (Promotion of Generation from the Renewable Energy Sources and Terms and Conditions for Tariff Determination) Regulations, 2017 and as required by sub-section (3) of Section 181 of the said Act and Rule 3 of the Electricity (Procedure for Previous Publication) Rules, 2005, the draft amendment Regulations are hereby published for the information of all the persons likely to be affected thereby; and notice is hereby given that the said draft amendment Regulations will be taken into consideration after the expiry of thirty (30) days from the date of publication of this notification in the Rajpatra, Himachal Pradesh, together with any objections or suggestions which may within the aforesaid period be received in respect thereto.

The text of the aforesaid draft amendment, alongwith Explanatory Memorandum, is available on the website of the Commission *i.e.* <http://www.hperc.org>.

The objections or suggestions in this behalf should be addressed to the Secretary, Himachal Pradesh Electricity Regulatory Commission, Vidyut Aayog Bhawan, Block-37, SDA Complex, Kasumpti-171009 (H.P.).

DRAFT REGULATIONS

1. Short title and commencement.—(1) These Regulations may be called the Himachal Pradesh Electricity Regulatory Commission (Promotion of Generation from the Renewable Energy Sources and Terms and Conditions for Tariff Determination) (Seventh Amendment) Regulations, 2023.

(2) These Regulations shall come into force from 1st October, 2023.

2. Amendment of Regulation 2.—In sub-regulation (1) of Regulation 2 of RE Tariff Regulations, 2017, the following shall be amended:—

(a) The Clause (g) shall be modified in following manner, namely;—

‘Date of commencement of operation of the project’ means the date on which the first unit of the project is synchronized with the grid for the first time. However, in case of solar PV project such date shall be reckoned with respect to the first synchronization for each part of the total capacity of such plant.

(b) The Clause (j) shall be modified in following manner, namely;—

‘Installed capacity’ or **‘IC’**, for the purpose of tariff determination, means the summation of the name plate capacities of all the units of the generating station, reckoned at the renewable energy generator terminals or the capacity for which the renewable energy generator has executed implementation agreement with the

State Government, whichever is higher. However, in case of Solar PV power projects and Floating solar projects, Installed capacity shall be sum of name plate capacities (Nominal AC power) of the inverters of the project;

(d) The Clause (w) shall be modified in following manner, namely;—

‘Renewable Energy Certificate mechanism’ or ‘REC mechanism’ means the mechanism devised for the development of market in power from nonconventional energy sources by issuance of certificates under the Central Electricity Regulatory Commission (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022 and the Himachal Pradesh Electricity Regulatory Commission (Renewable Power Purchase Obligation and its Compliance) Regulations, 2023;

3. Amendment of Regulation 9.—In sub-regulation (1) of Regulation 9 of RE Tariff Regulations, 2017, the following additional proviso shall be inserted, immediately after the second proviso, namely:

“Provided further that the fourth control period for the small hydro projects under these Regulations shall start from 1st October, 2023 and shall end by 31st March, 2027.”

4. Amendment of Regulation 13.—In clause (aa) of sub-regulation (1) of Regulation 13 of RE Tariff Regulations, 2017, the following additional proviso shall be inserted, immediately after the third proviso, namely:

“Provided further that in case of the SHPs covered under the One Time Amnesty Scheme notified by the State Government, the generic levelled tariff as applicable for the control period, encompassing the Scheduled Commercial Operation Date (SCOD) fixed as per the said scheme, or the actual date of commencement of the operation of the project, whichever is earlier, shall only be considered without allowing any further revision of the said Schedule date.”

5. Amendment of Chapter-IV.—In Chapter-IV of the RE Tariff Regulations, 2017, after Regulations 32-BB, the following PART-IV shall be inserted, namely;—

“PART-IV

FINANCIAL PRINCIPLES (APPLICABLE FROM 01-10-2023 TO 31-03-2027)

21-C. Capital Cost.—(1) The norms for the capital cost in case of small hydro projects shall be as specified in Part-IV of Chapter-V of these Regulations and in case of other renewable technologies, shall be as stipulated under relevant orders of the Commission under Regulation 18:

Provided that in case of small hydro projects upto 100 kW capacity, such norms shall be as fixed in the relevant orders of the Commission under Regulation 14.

(2) The norms for the capital cost shall be inclusive of all the expenses required to be incurred as per prudent practices upto the commissioning of the project, including, but not limited to, the cost of capital works, land, preparation of the Detailed Project Report, Survey and Investigation, plant and machinery, civil works, erection and commissioning, financing and interest

during construction, land acquisition, resettlement and rehabilitation, contribution towards Local Area Development Fund (LADF), statutory and non-statutory clearances and evacuation infrastructure upto inter-connection point (also including interconnection facilities), insurance charges against the risks during construction stage etc. and also all taxes, levies and duties on all such components/works capital works:

Provided that any cost pertaining to allotment of the project, including upfront premium and any other amount charged by the State Government while granting extension or capacity enhancement or/and any liquidated damages/penalty imposed by the licensee in accordance with the power purchase agreement executed with it, or by the State Government in accordance with the implementation agreement executed with it, will not form part of the capital cost:

Provided further that for project specific tariff determination, the renewable energy generator shall submit the item wise break-up of capital cost alongwith its petition in the manner specified under Regulation 19 and the capital cost admitted by the Commission shall be taken into consideration.

22-C. Subsidy or incentive or grant/budgetary support by the Central/State Government.—(1) While determining the generic levellised or project specific levellised tariff, as the case may be, for the renewable energy project(s) under these Regulations, the Commission shall take into consideration any incentive and/or subsidy and/or grant and/or budgetary support available, irrespective of whether the same is actually availed or not, under the schemes of the Central or State Government or their agencies, but excluding accelerated depreciation benefit under the Income Tax Act:

Provided that the capital subsidy under the schemes of the Central or State Government or their agencies shall be adjusted in the normative capital cost and the cost so arrived, after such adjustment, shall be considered for computing Debt-Equity Components for the purposes of determination of generic levellised tariffs:

Provided further that where the Central Government or the State Government notifies, or has notified, any generation based incentive (GBI) scheme for a particular kind of renewable technology, such technology based generating station shall be assumed to have availed the benefit of such a scheme and their tariffs shall be reduced by the amount of generation based incentive (GBI) per unit for the period during which such incentive remains applicable.

(2) Where any additional project specific grant or budgetary support is available to any project, apart from the incentive and/or subsidy and/or grant available under Sub-regulation (1) of this regulation, the Commission shall account for such budgetary support also, while determining project specific levellised tariff.

(3) The amount of subsidy shall be considered for each renewable source as per the applicable policy of the MNRE/State Government/Central Government and if the amount and/or mechanism of subsidy is changed by the MNRE/State Government/Central Government, consequent corrections in tariffs may be carried out by the Commission in accordance with Regulation 20.

23-C. Debt-Equity Ratio.—(1) The normative debt equity ratio shall be 70:30.

(2) For generic levellised tariff, the Commission shall adopt debt equity ratio of 70:30:

Provided that for arriving at the amount of debt and equity, the debt equity ratio shall be considered after deducting, from the normative capital cost, the amount of incentive, grant and capital subsidy available for the project.

- (3) For project specific levellised tariff, the following provisions shall apply—
- (i) if the equity actually deployed is more than 30% of the net capital cost arrived at after subtracting the incentive, grant and capital subsidy from the capital cost admitted by the Commission under Regulation 15, the equity deployed in excess of 30% limit shall be treated as normative loan in accordance with the National Tariff Policy and shall be deemed as advanced at the weighted average rate of interest and for a weighted average tenor of the long term debt component of the project after ascertaining the reasonableness of the interest rates and taking into account the effect of debt restructuring, if any;
 - (ii) in case the equity deployed is equal to or below the normative level of 30%, the actual equity would be used for determination of Return on Equity in tariff computations;
 - (iii) the equity invested in foreign currency, if any, shall be designated in Indian rupees on the date of each investment.
 - (iv) for arriving at the amount of equity in cases involving project specific determination of tariff, the debt equity ratio shall be considered after deducting, from the capital cost admitted by the Commission under Regulation 15, the amount of incentive, grant and capital subsidy available for the project.

Explanation.—For the purposes of return on equity, any resources available to the renewable energy generator from its share premium account or from its internal resources that are used to fund the equity commitments of the project under consideration shall be treated as equity subject to the limitations contained in this Regulation and Regulation 26-C.

(4) The Commission shall treat any incentive or subsidy and/or grant/ budgetary support available from the MNRE/State Government/Central Government, to have been availed and shall adjust the same as per the provisions of these regulations.

24-C. Loan and Finance Charges.—(1) For the purpose of determination of tariff, loan tenure of 15 years shall be considered:

(2) **Interest Rate.**—

- (a) The loan amount (*i.e.* the debt component) arrived at in the manner indicated in the Regulation 23-C shall be considered as gross normative loan for calculation of interest on loan. The normative loan outstanding as on 1st April of every year shall be worked out by deducting the cumulative repayment upto 31st March of previous year from the gross normative loan.
- (b) For the purpose of computation of tariff(s) under these Regulations, normative interest rate of two hundred (200) basis points above the average State Bank of India Marginal Cost of Funds based Lending Rate (MCLR) (one year tenor) prevalent during the last available six months, prior to the respective date(s) from which such tariff(s) the respective generic levellised tariffs are to be made applicable, shall be considered:

Provided that in case where the project specific tariff is to be determined, such average rate of SBI, as prevalent during the respective periods in which the loan has been availed, shall be taken into account on weighted average basis and the rate so worked out on this basis or the weighted average rate at which the loan has been availed, whichever is lower, shall be considered.

- (c) Notwithstanding any moratorium period availed by the renewable energy generator, the repayment of loan shall be considered from the first year of the tariff period and shall be equal to the annual depreciation allowed.
- (d) The loan repayment for a financial year or the relevant part period thereof shall be considered to have been done in the middle of that financial year or the relevant part period thereof, as the case may be.

25-C. Depreciation.—For the purpose of tariff determination, depreciation shall be computed in the following manner, namely:—

- (a) the value base for the purpose of depreciation shall be equal to sum total of the debt and equity components as per the provisions of Regulation 23-C;
- (b) the salvage value shall be considered as 10% and depreciation shall be allowed up to maximum of 90% of the value base as per clause (a) of this Regulation:

Provided that no depreciation shall be allowed to the extent of incentive, grant and capital subsidy available for the project.

- (c) depreciation per annum shall be based on “Differential Depreciation Approach”. For tariff purposes, the depreciation shall be allowed @ 4.67% per annum of the value base as per clause (a) of this Regulation till such time the requirement for repayment of loan component of the capital cost as per regulations 21-C, 23-C and 24-C is fully provided and the remaining depreciation shall be spread over the residual useful life of the project on straight line method;
- (d) depreciation shall be chargeable from the first year of commencement of operation of the project:

Provided that in case of operation of the asset for part of the year, depreciation shall be charged on *pro rata* basis for the purposes of project specific determination of tariff.

26-C. Return on Equity.—(1) The value base for the equity (on which return on equity shall be calculated) shall be equal to the equity component computed in accordance with the provisions of Regulation 23-C.

- (2) The normative Return on Equity shall be 14%.
- (3) The MAT/Corporate Tax actually paid by the RE generator to the Income Tax Department in relation to income from RE project shall be reimbursed. For this purpose, suitable mechanism alongwith suitable appropriate limits shall be evolved at the time of determination of generic levellised tariff.

27-C. Interest on working capital.—(1) The working capital requirement in respect of wind energy projects, small hydro power, solar PV and solar thermal projects shall be computed in accordance with the following:—

- (a) operation and maintenance expenses for one month;
- (b) receivables equivalent to 45 days of energy charges for sale of electricity calculated on the net saleable energy corresponding to the CUF considered for tariff determination on normative basis;
- (c) maintenance spare @ 15% of operation and maintenance expenses.

(2) The working capital in respect of biomass power projects with Rankin Cycle technologies, biomass gasifier based power projects, non-fossil fuel based cogeneration projects, Municipal Solid Waste power projects and Refused Derived Fuel project shall be computed in accordance with the following:—

- (a) fuel cost for four months equivalent to normative Plant Load Factor (PLF);
- (b) operation and maintenance expenses for one month;
- (c) receivables equivalent to 45 days of energy charges (fixed and variable charges) for sale of electricity calculated on the net saleable design energy on normative basis;
- (d) maintenance spare @ 15% of operation and maintenance expenses.

(3) In case of the renewable technologies not covered in Sub-regulations (1) and (2), the Commission may adopt such norms, as it may consider appropriate, at the time of determination of tariff.

(4) Interest on Working Capital shall be at interest rate equivalent to the normative interest rate of three hundred and fifty (350) basis points above the average State Bank of India Marginal Cost of Funds based Lending Rate (MCLR) (One Year Tenor) prevalent during the last available six months, prior to the respective date(s) from which the generic tariff(s) are to be made applicable:

Provided that in case where the project specific tariff is to be determined, such average rate for the last available six months prior to the date from which the project specific tariff is to be made applicable, shall be considered.

28-C. Operation and maintenance expenses.—(1) Operation and maintenance expenses mean the expenditure incurred on operation and maintenance of the project, or part thereof, and includes, without limitation, the expenditure on manpower, establishment (including employees expense, administrative and general expenses), repairs, spares, consumables, insurance and overheads as well as the taxes, duties and other levies on any or all such activities.

(2) Operation and maintenance expenses shall be determined for the tariff period based on normative operation and maintenance expenses specified in Part-IV of Chapter-V of these Regulations for the small hydro projects exceeding 100 kW Capacity and as stipulated in relevant orders of the Commission for other renewable energy projects.

(3) Normative O&M expenses allowed under these Regulations shall be escalated over the tariff period at the rate of 3.84% per annum.

29-C. Taxes and duties.—Tariff determined under these Regulations shall be inclusive of all taxes and duties and shall not be subject to any change except for the provisions specified under Regulation 20.

30-C. Rebate.—(1) The due date for payment of bills shall be 45 days from the date of billing.

(2) For payment of bills of the generating company through revolving and valid letter of credit on presentation or through National Electronic Fund Transfer (NEFT) or Real Time Gross Settlement (RTGS) payment mode within a period of 5 days of presentation of bills, a rebate of 1.5% on bill amount shall be allowed.

(3) Where payments are made on any day after 5 days within a period of thirty (30) days from date of presentation of bills by the generating company, a rebate of 1% shall be allowed.

Explanation.—For computing the “5 days” and other cutoff dates for the purposes of this Regulation and Regulation 31-C, the number of days shall be counted consecutively without considering any holiday. However, in case the last day is official holiday, the last day for these purposes shall be construed as the immediate succeeding working day.

31-C. Late payment surcharge.—The Distribution Licensee shall make timely payments of energy bills of the renewable energy generator(s) by assigning priority over and above all other payments. In case the payment of any bill payable under the power purchase agreement is delayed beyond a period of 45 days from the date of presentation of the bill, a Late Payment Surcharge shall be payable on the payment outstanding after the due date at the base rate of Late Payment Surcharge applicable for the period for the first month of default:

Provided that if the period of default lies in two or more financial years, the base rate of Late Payment Surcharge shall be calculated separately for the periods falling in different years:

Provided further that the rate of Late Payment Surcharge for the successive months of default shall increase by 0.5 percent for every month of delay and shall not be more than three percent higher than the base rate at anytime:

Provided further that the payment made by the Distribution Licensee to the renewable energy generator for power procured from it shall be first adjusted towards Late Payment Surcharge irrespective of the bill to which it pertains and thereafter towards monthly charges starting from the longest overdue bill:

Provided further that all the bills payable by the Distribution Licensee to a renewable energy generator for power procured from it, shall be time tagged with respect to the date and time of submission of the bill and the payment made by the Distribution Licensee, as has not been adjusted towards the Late Payment Surcharge as per the third proviso to this Regulation, shall be adjusted first against the oldest bill and then to the second oldest bill and so on so as to ensure that payment against a bill is not adjusted unless and until all bills older than it have been paid for.

31-CC. Payment Security Mechanism.—(1) The Distribution Licensee shall maintain unconditional, irrevocable and adequate payment security mechanism.

(2) The supply of power shall only be made if an adequate Payment Security Mechanism is maintained or in the absence thereof, advance payment is made:

Provided that in case the renewable energy generator supplies power without the Payment Security Mechanism or without advance payment, it shall lose the right to collect the late payment surcharge from the Distribution Licensee:

Provided further that in case of non-payment of outstanding dues by the default trigger date, the obligation of the renewable energy generator to supply power shall be reduced to 75% of the contracted power to Distribution Licensee and balance 25% of contracted power may be sold by the renewable energy generator through the Power Exchanges:

Provided further that if the Distribution Licensee does not establish Payment Security Mechanism or continues to default in payment of outstanding dues for a period of thirty days after the commencement of sale of power by the RE generator to the extent of 25% of contracted power through the Power Exchanges then the renewable energy generator shall be entitled to sell 100% of the contracted power through Power Exchanges.

(3) In case of non-maintenance of Payment Security Mechanism, renewable energy generator shall regulate power supply to the Distribution Licensee in accordance with Electricity (Late Payment Surcharge and Related Matters) Rules, 2022 notified by the Ministry of Power on 3rd June, 2022.

(4) The gains or losses, as the cases may be from the sale of such power, which shall be the difference between selling price of such power in the Power Exchanges and the expense borne by the renewable energy generator including energy charges, transmission charges; other incidental charges and shall be adjusted on monthly basis in the following order:- (i) liquidation of overdue amount, if any (in case of gains only); (ii) the balance shall be shared in the ratio of 75:25 between the Distribution Licensee and the renewable energy generator.

(5) The renewable energy generator shall share the detailed calculations as per the Sub-regulation (4) of this Regulation, with the defaulting entity *i.e.* Distribution Licensee on a monthly basis:

Provided that such gains or losses, as the case may be, shall be computed by taking into account on daily basis the selling rate of such power in the Green Day Ahead Market (GDAM) or actual sale price on any other platform, whichever is higher.

32-C. Ceiling norms.—The financial norms, except for capital cost, as specified in this Chapter of these Regulations, shall be considered as ceiling norms and the same shall not preclude the licensee or renewable energy generator from agreeing to improved norms, including operation and maintenance norms, which may lead to overall reduction in the levellised tariff and in case the improved norms are agreed to, such improved norms shall be applicable for determination of the project specific levellised tariff.

32-CC.—The provisions of this Chapter shall be applicable for all the RE technologies for the matters to be dealt under fourth control period irrespective of the intervals at which the generic levellised tariffs are determined under this control period.

5. Amendment of Chapter—V.—In Chapter-V of the RE Tariff Regulations, 2017, after Regulation 39-BBB, the following PART-IV shall be inserted, namely;—

“PART-IV
TECHNOLOGY SPECIFIC PARAMETERS FOR SMALL HYDRO PROJECTS
HAVING INSTALLED CAPACITY MORE THAN 100 kW
(APPLICABLE FROM 01.10.2023 TO 31.03.2027)

33-C. Categorisation.—For the purpose of tariff determination, the small hydro projects having installed capacity of more than 100 kW shall be categorized as under:—

(i)	Above 100 kW to 2 MW capacity
(ii)	Above 2 MW but below 5 MW capacity
(iii)	5 MW to 25 MW capacity

34-C. Normative Capital Cost.—(1) In case of small hydro projects, the normative capital cost, inclusive of all its components as specified in Regulation 21-C of these Regulations, for the control period shall be as under:—

Sl. No.	Category of small hydro Project	Rupees (in Lac) per MW of the installed capacity
(i)	Above 100 kW to 2 MW capacity	1100
(ii)	Above 2 MW but below 5 MW capacity	1100
(iii)	5 MW to 25 MW capacity	1100

(2) The subsidy/grant/budgetary support or incentives etc. provided by the Central/State Government or their agencies shall be adjusted in accordance with the Regulation 22-C of these Regulations.

35-C. Normative saleable energy.—(1) The normative saleable energy at the interconnection point for the purpose of generic levellised tariff shall be computed on the following lines namely:—

- (i) the normative annual capacity utilisation factor (CUF), net of 13% free power including 1% contribution towards the Local Area Development Fund (LADF), shall be 47.85% for all the small hydro projects upto 25 MW. The number of hours in a year for calculations of CUF shall be 8766;
- (ii) the quantum of normative annual saleable energy worked out for the installed capacity of the project at the normative CUF under preceding clause (i) shall be reduced by 1.7%, to account for the auxiliary consumption, transformation losses and the losses in the project line(s) at the normative rates as per Regulations 37-C and 38-C, to arrive at the normative saleable energy at the interconnection point;
- (iii) the generic levellised tariff determined on the basis of the normative saleable energy at the interconnection point as per the preceding clause (ii) shall be deemed to have accounted for total free power of 13% [including 1% contribution towards the Local Area Development Fund LADF];

Provided that in case where the generic levellised tariff is to be determined for a free power structure which is at variance from the above, the net saleable energy shall be adjusted suitably after taking into account the free power structure corresponding to which such tariff is to be determined.

(2) The normative capacity utilization factor (CUF) under clause (i) of Sub-regulation (1) takes into account the impact of mandatory release of water discharge immediately downstream of diversion structure of the project based on the existing instructions of the State Government which provide that for the purpose of determination of minimum discharge, the threshold value not less than 15% of the minimum inflow observed in the lean season shall be considered.

(3) The normative year wise net saleable energy for the purpose of project specific tariff determination shall also be worked out on similar lines given in Sub-regulations (1) and (2) but by taking into account the annual Capacity Utilisation Factor (CUF) in accordance with clause (ii) of Sub-regulation (1) of Regulation 15, the normative auxiliary consumption and transformation losses under Regulation 37-C and the energy losses in the project line under Regulation 38-C.

36-C. Free Power.—(1) The Commission shall consider appropriate structure(s) of free power for determination of generic levellised tariffs for various categories of small hydro projects, as mentioned in Regulation 33-C, duly keeping in view of the provisions of the State Hydro Policy for allotment of sites for small hydro projects, National Hydro Policy, Tariff Policy and the limits specified under Sub-regulation(3):

Provided that in case the structure of free power actually applicable to a project, duly curtailed as per Sub-regulation (3), is at variance from the structure considered while determining the generic levellised tariff, such tariff shall be suitably adjusted based on the structure of free power applicable subject to the limit specified in Sub-regulation(3):

Provided further that in cases requiring determination of the project specific tariff, the Commission shall consider the structure of free power actually applicable to that project subject to the above and the limits specified in Sub-regulation(3).

(2) In case of any change in the structure of free power for a small hydro project from that considered for the determination of generic levellised tariff or project specific levellised tariff in accordance with Sub-regulation (1) or in cases where the adjustment in tariff on account of variation in free power has to be allowed as per the specific provisions contained in these Regulations, including those covered in Regulation 17 and Sub-regulation (2) of Regulation 20, the Distribution Licensee shall adjust the tariff as per the following formula:-

Rate payable for the month for the net saleable Energy (Rs/kWh)	$= a \times (100-b)/(100-c)$
---	------------------------------

Where,—

“a” is the levellised tariff (in Rs/kWh) which is required to be adjusted under this Regulation

“b” is the free power (in percentage) taken into account or deemed as taken into account for the month, in “a” in the corresponding month of the tariff period by reckoning the date of commencement of operation of the project as the starting date of the tariff period.

“c” is the free power (in percentage) to be allowed in the tariff for the month subject to maximum limit of 13% free power(energy) and the provisions of Sub-regulation (3)-

Where free power is applicable at different rates for different parts of a month, the permissible free power (*i.e.* “c”) shall be determined under this Sub-regulation separately for each such part and weighted average rate for the month as a whole shall be worked out by considering the total quantum of energy for each day of the month.

(3) The free power (in percentage) to be taken into consideration for the purpose of determination of tariff under Sub-regulation (1) and/or any adjustment under Sub-regulation (2) shall be subject to the following:—

- (i) The free energy to be taken into account for any part of the tariff period for the purposes of Sub-regulation (1), or to be allowed for any part of the tariff period for the purposes of Sub-regulation (2), shall not exceed 13% free power (energy) which includes 12% free power to home State and 1% additional free power for Local Area Development Fund, as stipulated in the National Hydro Policy/ Tariff Policy;
- (ii) Any quantum of free energy, if committed by the renewable energy generator over and above the 13% free power (energy) for any period shall not be factored into the tariff;
- (iii) Additional free energy, if any, to be provided by the renewable energy generator to the State Government, on account of curtailment of waiver period due to delay in commissioning of project as per provisions of Implementation Agreement and/or for enhancement of capacity and/or for any reason attributed to the renewable energy generator shall not be taken into account even if the total free power for any period, including such additional free power, does not exceed 13% free power(energy);
- (iv) The quantification and adjustment of free energy as well the energy accounting shall be made with reference to the energy projected/ received at the interconnection point;
- (v) The free energy to be allowed for any period for the purpose of Sub- regulation (2) shall in no case be more than that actually deducted for that period in the energy accounts, out of the total energy received at the interconnection point.

37-C. Auxiliary consumption and transformation losses.—Normative auxiliary consumption and transformation losses for the small hydro projects shall be 0.5% of the gross generation and the same for transformation losses at the switchyard linked to the generating station of the projects shall also be 0.5%:

Provided that for the sake of simplicity, these two factors shall be clubbed together and accounted for as 1% of the gross generation.

38-C. Energy losses.—(1) The normative energy losses in the project line(s) shall be 0.7% of the gross generation.

(2) For the project specific levelled tariff, the percentage losses worked out on the basis of actual length of the project line(s), conductor size and expected power flow shall be taken into consideration.

39-C. Operation and maintenance expenses.— Normative annual O&M expenses for the control period shall be as follows:—

No.	Installed capacity of SHP	Annual O&M expenses in Rupees (in Lac) per MW of installed capacity
(i)	Above 100 kW to 2 MW capacity	46.78
(ii)	Above 2 MW but below 5 MW capacity	46.78
(iii)	5 MW to 25 MW capacity	35.09

Provided that the Commission may, in order to offset the effect of reduction in O&M charges on the generic levellised tariff in cases of small hydro projects having capacities of 5 MW and above but not exceeding 10 MW, evolve suitable mechanism, while determining the generic levellised tariff, so as to provide for adjustment to the maximum extent of 10paise per kWh to 3paise per kWh, linked with the project capacity, in the generic levellised tariff in case of small hydro projects having capacities in the said range.

39-CC. Adjustment for fraction of a MW of the installed capacity.—The installed capacity shall be rounded to one decimal place by ignoring the fraction of less than 0.05 MW and by considering the fraction of 0.05 MW and above as 0.1 MW.

39-CCC. The norms specified under this chapter shall be applicable only for small hydro projects having installed capacity of more than 100 kW and the same for the small hydro projects with installed capacity upto 100 kW shall be fixed in the relevant orders issued under Regulations 14 of these Regulations.

6. Consequential amendments in the Regulations.—On and from the commencement of these amendment Regulations, in relation to the Himachal Pradesh Electricity Regulatory Commission (Promotion of Generation for the Renewable Energy Sources and Terms and Conditions for Tariff Determination) Regulations, 2017, in the Regulations mentioned in Column (2) of the Table given below, the references to the Regulations mentioned in Column (3) shall be construed as if references therein are the references to the Regulations mentioned opposite thereto in the Column(4) of the said Table.

Table

Sl. No.	Regulations of the said Regulations	For existing references	Substitute reference to
(1)	(2)	(3)	(4)
1.	Clause (c) of Sub-regulation (1) of Regulation 2.	Regulation 21 or 21-A or 21-B	Regulation 21 or 21-A or 21-B or 21-C as the case may be
2.	Proviso of clause (iii) of Sub-regulation (1) of Regulation 14.	Chapter-IV and Chapter-V respectively, shall remain in force upto 30th September, 2023	PART-IV of Chapter-IV and PART-IV of Chapter-V respectively, shall remain in force upto 31st March, 2026
3.	Sub-regulation (2) of Regulation 14.	Regulations 33 or 33-A or 33-B	Regulations 33 or 33-A or 33-B or 33-C as the case may be
4.	Proviso to Sub-regulation (1) of Regulation 15.	Regulation 32 or 32-A or 32-B	Regulation 32 or 32-A or 32-B or 32-C as the case may be
5.	Clause (b) of Sub-regulation (1) of Regulation 16.	Regulations 20 to 41 or 20-A to 39-A or 20-B to 39-B	Regulations 20 to 41 or 20-A to 39-A or 20, 21-B to 39-BBB or 21-C to 39-CCC , 40 and 41, as the case may be
6.	Sub-regulations (5) and (7) of Regulation 17.	Regulation 36 or 36-A or 36-B (wherever occurs)	Regulation 36 or 36-A or 36-B or 36-C , as the case may be

7.	Sub-regulation (5) of Regulation 18	Regulations 32 or 32-A or 32-B and 42	Regulations 32 or 32-A or 32-B or 32-C and 42 as the case may be
8.	Regulation 20	(i) Regulation 36 or 36-A or 36-B (wherever occurs) (ii) Regulations 22 or 22-A or 22-B	i) Regulation 36 or 36-A or 36-B or 36-C , as the case may be (ii) Regulations 22 or 22-A or 22-B or 22-C , as the case may be,

By order of the Commission,

विषय.—मुस्त्री मुनादी व इशतहार राजपत्र बराये विवाह दर्ज करने बारे।

श्रीमती विमला देवी पुत्री श्याम सिंह, निवासी गांव टिकरू, डा0 संघोल, तहसील जयसिंहपुर, जिला कांगड़ा (हि0प्र0) ने इस अदालत में स्वयं हाजिर होकर प्रार्थना-पत्र मय ब्यान हल्फिया पेश किया है कि उसकी माता श्रीमती गलंसा पत्नी स्व0 श्री श्याम सिंह, निवासी सचूही, डा0 तरपोहल, तहसील सुजानपुर, जिला हमीरपुर के साथ दिनांक 16-05-1951 को हिन्दू रीति-रिवाज से इनकी शादी हुई थी व तब से दोनों पति पत्नी के रूप में रह रहे थे। इस सन्दर्भ में प्रार्थिया ने अपना ब्यान व शपथ-पत्र भी संलग्न करवाया है परन्तु अज्ञानतावश विवाह तिथि को सम्बन्धित ग्राम पंचायत के अभिलेख में दर्ज न करवा सके हैं। अतः अपनी शादी को पंचायत धनीरी में दर्ज करवाने बारे आवेदन किया है।

अतः प्रार्थिया का आवेदन स्वीकार करते हुए इस इशतहार मुस्त्री मुनादी व चस्पांगी के माध्यम से प्रतिवादी आम जनता को सूचित किया जाता है कि यदि किसी व्यक्ति को उक्त शादी को दर्ज करने बारे कोई उजर या एतराज हो तो वह असालतन या वकालतन तारीख पेशी 10-08-2023 को सायं 2.00 बजे हाजिर अदालत होकर अपना उजर या एतराज पेश कर सकता है अन्यथा बाद गुजरने तारीख पेशी किसी किस्म का उजर एवं एतराज नहीं सुना जावेगा व उपरोक्त शादी दर्ज करने का आदेश सम्बन्धित स्थानीय उप-पंजीकार, सह ग्राम पंचायत धनीरी को जारी कर दिया जायेगा।

यह इशतहार मोहर अदालत व मेरे हस्ताक्षर से आज दिनांक 27-06-2023 को जारी हुआ।

मोहर।

उनवान मुकद्दमा.—हि0 प्र0 शादी पंजीकरण अधिनियम, 1996 की धारा 8(4) के तहत शादी पंजीकरण हेतु।

प्रार्थी श्री डिम्पल राणा पुत्र पुन्नी चन्द, निवासी गांव धार चौकी, डाकघर थिल, तहसील खुण्डियां, जिला कांगड़ा (हि0प्र0) ने स्वयं उपस्थित होकर प्रार्थना-पत्र प्रस्तुत किया है कि उसकी शादी दिनांक 20-02-2022 को निशा देवी पुत्री गुडो, निवासी गांव व डाकघर सीरा, तहसील लाठी मरोठी, जिला उधमपुर, जम्मू कश्मीर के साथ हिन्दू रीति-रिवाज के साथ हुई है, परन्तु कानून की जानकारी न होने के कारण शादी का ग्राम पंचायत वारी कलां, तहसील खुण्डियां के अभिलेख में पंजीकरण न हो सका है। अतः शादी का पंजीकरण ग्राम पंचायत वारी कलां, तहसील खुण्डियां के अभिलेख में दर्ज किया जाए।

अतः सर्वसाधारण को सुनवाई हेतु बजरिया इश्तहार व मुश्री मुनादी द्वारा सूचित किया जाता है कि इस सम्बन्ध में यदि किसी प्रकार का उजर/एतराज हो तो वह दिनांक 08-08-2023 को असालतन या वकालतन अदालत में पेश होकर अपना एतराज दर्ज करवा सकता है। उसके उपरान्त कोई भी उजर/एतराज जेरे समायत न होगा तथा डिम्पल राणा पुत्र पुन्नी चन्द, निवासी महाल धार चौकी व श्रीमती निशा देवी पुत्री गुडो, निवासी गांव व डाकघर सीरा, तहसील मरोठी, जिला उधमपुर, जम्मू कश्मीर की शादी का पंजीकरण ग्राम पंचायत वारी कलां के अभिलेख में दर्ज करने के आदेश पारित कर दिए जाएंगे।

आज दिनांक 11-07-2023 को मेरे हस्ताक्षर व मोहर अदालत से जारी हुआ।

श्री रघुनाथ पुत्र श्री वंशी पुत्र बसाखी, निवासी गांव व डाकघर करसाल, तहसील लडभडोल, जिला मण्डी (हि0प्र0) प्रार्थी।

बनाम

आम जनता

फरीकदोयम।

दरखास्त बाबत नाम दुरुस्ती

श्री रघुनाथ पुत्र श्री वंशी पुत्र बसाखी, निवासी गांव व डाकघर करसाल, तहसील लडभडोल, जिला मण्डी (हि0प्र0) ने इस अदालत में दिनांक 05-07-2023 को प्रार्थना-पत्र प्रस्तुत करते हुए अपने प्रार्थना-पत्र में निवेदन किया है कि प्रार्थी का वास्तविक नाम रघुनाथ है परन्तु प्रार्थी का नाम राजस्व अभिलेख मुहाल करसाल में रघुवीर सिंह दर्ज हो चुका है जोकि गलत दर्ज हुआ है। प्रार्थी ने अपने प्रार्थना-पत्र के समर्थन में अवाहन पत्र तलबाना, नकल शजरा नस्ब, स्वघोषणा पत्र, परिवार नकल, पैन कार्ड व आधार कार्ड साथ संलग्न कर रखे हैं। अब प्रार्थी ने अपने नाम की दुरुस्ती के आदेश पारित करने हेतु आग्रह किया है।

अतः इस इशतहार के माध्यम से सर्वसाधारण आम जनता को सूचित किया जाता है कि किसी व्यक्ति को राजस्व अभिलेख मुहाल करसाल में प्रार्थी का नाम रघुवीर सिंह के स्थान पर रघुनाथ पुत्र श्री वंशी पुत्र बसाखी, निवासी गांव व डाकघर करसाल, तहसील लडभडोल, जिला मण्डी (हि0प्र0) की दुरुस्ती करने बारा कोई उजर/एतराज हो तो वह असालतन या वकालतन तारीख पेशी 10-08-2023 को 10.00 बजे प्रातः इस अदालत में हाजिर होकर अपना उजर/एतराज पेश कर सकता है। बसूरत गैरहाजिरी एकतरफा कार्यवाही अमल में लाई जाकर नाम दुरुस्ती दर्ज करने के आदेश पारित कर दिए जाएंगे।

यह इशतहार आज दिनांक 05-07-2023 को मेरे हस्ताक्षर व मोहर सहित अदालत से जारी हुआ।

मोहर।

सीता देवी पत्नी श्री रौणकीह राम, निवासी चमेहड, डाकघर स्योह, तहसील धर्मपुर, जिला मण्डी (हि0प्र0) वादिया।

बनाम

आम जनता

प्रतिवादी।

प्रार्थना-पत्र नाम दुरुस्ती बारे।

सीता देवी पत्नी श्री रौणकीह राम, निवासी चमेहड, डाकघर स्योह, तहसील धर्मपुर, जिला मण्डी (हि0प्र0) ने इस अदालत में प्रार्थना-पत्र पेश किया है कि यह कि वादी का नाम क्षेत्रीय कानूनगो हल्का सिद्धपुर/महाल सिद्धपुर के राजस्व रिकार्ड में गिहलो व महाल खडून में कुमारी गिलो पुत्री सोहन सिंह दर्ज है जोकि गलत है जब कि वादी का नाम ग्राम पंचायत खडौन व आधार कार्ड के अनुसार सीता देवी पुत्री सोहन सिंह दर्ज है जोकि सही है।

अतः सर्वसाधारण को इस इशतहार द्वारा सूचित किया जाता है कि यदि इस बारे किसी व्यक्ति को कोई एतराज हो तो 13-08-2023 को असालतन या वकालतन प्रातः 11.00 बजे अधोहस्ताक्षरी के कार्यालय में हाजिर होकर अपना एतराज लिखित या मौखिक पेश कर सकते हैं अन्यथा राजस्व विभाग क्षेत्रीय कानूनगो सिद्धपुर के रिकार्ड में सही नाम गिहलो उर्फ सीता देवी व महाल खडून में सिता देवी उर्फ गिलो कुमारी पुत्री सोहन सिंह दर्ज करने के आदेश पारित कर दिये जायेंगे। निर्धारित अवधि के पश्चात् किसी आपत्ति पर विचार नहीं किया जायेगा।
